# Local Priorities & Updates

Priority	Update
Farewell to some of the team...for now.	<p>Since the last Area Board we have had to say farewell to some of the neighbourhood team. Inceptor Al Lumley has been promoted to Chief Inspector and has moved to Swindon .</p> <p>Sgt Louise Oakley has stepped up to the Inspector role until Jan 2023- when a new Inspector will be appointed</p> <p>Neighbourhood policing is a force priority and there will be uplift posts so there will be recruitment for more PCs for NPT and they need to be in place by April 2023 – we currently hold three PC post this will increase to 5.</p>
ASB / Escooters – YOUTH CRIME	<p><b>***MAIN PRIORITY***</b> NPT are aware that ASB and youth crime has escalated since the summer in both Warminster and Westbury , and the team are working hard to tackle this –</p> <p>We have reports of general ASB , Public order offences, theft and Damage – and youths still on scooters</p> <p>PC MIKE OBERN is working hard with the response teams to robustly deal with youths – but its not as easy as it seems.</p> <p>A/INSP 2413 OAKLEY WILL GIVE A FURTHER VERABL UPDATE AT THE MEETING</p>
Westbury Police station	<p>Back in September We had someone move into the back of Westbury police station with his caravans which has attracted some trouble. Due to this land being owned still by PCCS office we had to wait for them to take action , formal notice was given back in October and Male has refused to vacate so court proceedings for eviction are in hand, the local policing team are patrolling and dealing with any matters at the location – 7<sup>th</sup> November the gates to the back yard have been removed by police, as the male ws locking the gate and padlocking himself in .</p>
Speed Enforcement & CSW	<p>The latest stats provided by the various Community Speed Watch teams show that over the last quarter, the Upper Deverill's have consistently the highest proportion of speeding motorists (approx. 1 in 10). In response, the local teams in conjunction with the roads policing units are increasing their presence in the area wherever possible. As a large proportion of speeders are statistically from the local area – this is a polite reminder to watch your speed.</p>
PEEL Inspection Progress	<p>Following on from the previous Area Board update and the input on the PEEL inspection by HMICFRS (where Wiltshire Police were placed into 'special measures') We are please to say that progress in improving the areas most critical are well underway. Significant changes to team structures have been made to ensure serious and complex criminal investigations get a more consistent service, as well as a review underway for the structure of uniformed policing across the county. I would like to point out and direct everyone to our Wiltshire police website which is the central point for updates on PEEL progress and will be updated after each meeting of the PPOG.</p>

# Shared Lives

The **Shared Lives Service** helps people to live as part of a family, within the carers home, where they receive the support or care that they need.

The service places adults who have mental health needs or learning disabilities, physical impairments, or are elderly, or those who, for a variety of reasons, cannot manage to live independently without support.

# WILTSHIRE FAMILIES AND CHILDREN'S TRANSFORMATION (FACT) PARTNERSHIP

SIMON THOMAS – FACT PARTNERSHIP LEAD

# CURRENT PICTURE

Key areas of demand:

- SEND
- ASD pathway
- Behaviour (home & school)
- Emotional well-being
- Gaps & social mobility

Also practice/system issues:

- Insufficient Lead Professionals
- Inconsistent holistic whole family practice
- Unclear EH offer
- Limited flexibility in how/when/where to access support
- Degree of lack of family confidence in some services
- Lack of coherence between 'youth offer' & Early Help

# What families have told us...

I don't hit any anybody's threshold – no one can help me

It is overly complicated when trying to access help and support

I have to keep repeating my family story

I didn't know where to go or who to speak to

There is no 'whole' family support available when you are facing multiple issues

If a family early support service was available in Calne, I would have used it and I think it could have prevented my family needing statutory services

I can't get the help my autistic child needs, so I am funding this myself

services are good at focusing on the child but fail to focus on the family as a whole, supporting mum will help to keep the family going

Consistency is key – information and/or advice given by professionals doesn't always match

Give ownership back to families, make them take responsibility by giving them the tools they need to help themselves

# WHAT IS FAMILY HELP?

Wiltshire's multi-agency Family Help arrangements enable children, young people and families to access the right help at the right time through a co-ordinated approach to prevention and early intervention through:

- a co-ordinated approach at a whole population/universal level to prevent needs from arising and to build resilience across all residents
- a robust multi-agency approach to spotting any additional needs at the earliest point and providing effective joined-up support that prevents the needs from escalating further

# Across Wiltshire, the project will deliver:

- A clear unifying brand for Family Help
- Online database of services, community resources & activities – via Wiltshire Together platform
- Co-ordinated whole system workforce development offer
- Consistency of core approaches across the Early Help workforce

The Warminster & Westbury pilot will also develop & test the benefits of:

- Wrapping services/groups around local cluster(s) & communities
- Local case consultation
- More flexible/responsive practice model
- Local community of practice
- Working with sibling groups across phases
- Local training & sharing
- Local ‘voice’ activity
