# Local Priorities & Updates

Priority	Update
Repeat Offenders	The next court date for two repeat young offenders is 21 <sup>st</sup> March. The Neighbourhood Team are applying for a Criminal Behaviour Order to be imposed should the offenders be convicted. Other offences which they are suspected of committing remain under investigation whilst we await the results of digital evidence.
Anti Social Behaviour	We have increased patrols during the evenings and over the half term holidays to target ASB within the town, plus have inputs planned to present to Malmesbury school students in the new term.
Community Engagement	Our Neighbourhood Team has been recognised as the highest-performing team in Wiltshire Police in terms of community engagement over the last few months. In January alone we met over 700 people in our local community, through community events, school visits and meetings and we have toured our beats from the 13 <sup>th</sup> – 17 <sup>th</sup> February with the community bus reaching out to over 150 people from all different sections of the community.

- Working with local community groups to encourage reporting of incidents to we can gain a true picture of what is going on to respond effectively

# PC Jo Phelps – Malmesbury

## - An understanding of community investigations

- Investigating a series of offences is complex and time consuming, requiring dedication, expertise and support.
- PC Phelps is investigating a series of offences in Malmesbury over a number of months and we have had positive court outcomes with further work still ongoing.
- It is not simply, arrest, charge and result. Evidence collation is key and can be multi-faceted and we must consider partner agencies.
- It all takes time!
- Examples of who we work with:
  - Greensquare
  - The Rise Trust
  - Social Services
  - Youth Justice Services
  - Malmesbury Secondary School
  - CPS
  - Trial preparation Unit
  - Response teams
- This can be applicable to a number of concurrent investigations involving different individuals, there is often no quick fix.
- Policing in 2023 is more than just the Police.
