Dear Sir/Madam

Please accept this email as a representation / objection / seeking clarification for the alcohol licence in the attached file, for Winterbourne Monkton Community Hall.

My objections are as follows:

- the licence is for 7 days a week from 12:00-23:00
- this gives potentially no respite for the neighbouring houses from events serving alcohol
- the late hours, with subsequent clearing up, doors slamming, driving away will be a 7 day late nuisance to local residents
- a full carpark, potentially all day and evening, potentially 7 days a week will be a visual eyesore, particularly for Nos [REDACTED] Old Dairy Lane, with no screening for these properties
- the potential signs, and register of noise levels and nuisance proposed is not reassuring for the neighbours of Old Dairy Lane. Particularly for a potentially 7 day event venue serving alcohol

I do not object to the marketing of the Community Hall or its need to be self supporting. However a 7 day a week, 12:00 - 23:00 venue serving alcohol will be a nuisance to its neighbours.

I would be grateful if you would confirm the process for this representation to be considered and the next steps.

Yours sincerely

[REDACTED]
