<u>Minute No..</u>	<u>Summary of Issues Discussed and Decision</u>
1	<p><u>Chairman's Welcome, Introduction and Announcements</u></p> <p>The Chairman welcomed everyone to the Area Board meeting and reported a number of changes to the personnel supporting the work of the Area Board. In particular, the Chairman thanked Kevin Fielding, Democratic Services Officer for his help and support over the years, and welcomed Stuart Figini, Senior Democratic Services Officer and Caroline LeQuesne, Area Board Delivery Officer, who would be supporting the Area Board and the Strategic Engagement and Partnership Manager (SEPM) going forward.</p> <p>The Chairman also drew attention to the following written announcements which were noted by the Area Board:</p> <ul style="list-style-type: none"> • National Apprenticeship Week 2023 • Cost of Living Update • King Charles III Coronation – Community Celebrations • Wiltshire Families and Children’s Transformation (FACT) Partnership Family Help Project – background briefing
2	<p><u>Apologies for Absence</u></p> <p>Apologies were received from the following:</p> <ul style="list-style-type: none"> • Cllr Jennie Parker – Bradford on Avon Town Council
3	<p><u>Minutes</u></p> <p>The minutes of the meeting held on 2 November 2022 were approved and signed as a correct record.</p>
4	<p><u>Declarations of Interest</u></p> <p>There were no declarations of interest.</p>
5	<p><u>Proposal of Emergency Contact Hubs and their Purpose - Helping Resilience in the Community</u></p> <p>The Area Board received a presentation from Camella Town (National Power Outage Project Officer) and Chris Manuel (Community Resilience Lead Officer) on a Proposal of Emergency Contact Hubs and their purpose. The update covered the following points:</p> <ul style="list-style-type: none"> • It was outlined that emergency contact hubs were a concept that originated from New Zealand, with it envisaged that every parish and village would have an identified building where they could go to for refuge

	<p>and information in a national power outage or emergency.</p> <ul style="list-style-type: none"> • The communications structure of emergency contact hubs was outlined, with initial information being received by the Devizes Police Headquarters, which in turn be able to feed information back to central government. • It was noted that community hubs would be ran and owned by the community, building on community knowledge and experience already in place. • An example of the role that an emergency contact hub would play during a national power outage was provided. • The benefits of having an emergency hub were outlined, including but not limited to, that it would allow communities to be part of a national community resilience network; being able to build on current community resilience structures in place and enabling support for vulnerable people. • The next steps of the proposal were outlined, with those interested encouraged to speak with their communities and to get in touch with wiltshireandswindonprepared@wiltshire.gov.uk. Additionally, the team would visit the proposed hub to discuss the hub itself as well as community resilience and training. <p>Following the presentation, the Area Board were reminded that Bradford on Avon had been running an emergency volunteer scheme, which was currently dormant, and many residents in the town were willing to be involved in the work of the Emergency Contact Hubs.</p> <p>The Chairman thanked Camella and Chris for a very informative presentation.</p>
6	<p><u>The Green Man</u></p> <p>The Area Board received a presentation from Alfie Windsor about the Green Man Festival held in Bradford on Avon. He commented on previous years events and the proposed events lined up for the Festival in May 2023 – details of which can be found at this link - BoA Traditional – Bradford on Avon Green Man Festival (boagreenmanfest.org).</p> <p>Alfie responded to a number of questions about the Festival including the measures to promote sustainable travel to the event, including cycle parking, and promotion of the Festival via the Councils Communications team.</p> <p>The Chairman thanked Alfie for a very informative presentation and encouraged all residents to support the Festival.</p>
7	<p><u>Youth Engagement</u></p> <p>The Area Board received a presentation from Marsha Mars about the work of the Mighty Girls in providing a female only setting with activities that focus on an increase in the wellbeing, self confidence and sense of community amongst girls and young women, with the activities being co-constructed by the young people.</p>

	<p>Social skills and work experiences of the young people are developed to positively impact the community. A link to the Mighty Girls Website can be found here - Mighty Girls CIC</p> <p>Marsha explained, in response to a question from the Area Board, that Mighty Girls were distinct from other organised groups like the Guides, as it provides a place for young people who prefer not to wear a uniform and, as indicated above, events are co-constructed with the leaders, the leaders seek funding and then the events are held.</p> <p>The Chairman thanked Marsha for an excellent presentation.</p>
8	<p><u>Saxon Group RDA Update</u></p> <p>The Area Board received an update from the Saxon Group Riding for the Disabled Association following an award of grant funding for a mounting block and ramp, approved by the Area Board in November 2022.</p> <p>Sharon Turnball, Trustee of the Saxon Group commented on a number of pictures that were displayed at the meeting and explained how the mounting block and ramp made a huge difference for the riders to experience physical therapy and exercise that horse riding offers.</p> <p>The Chairman thanked Sharon for providing an update and on behalf of the Area Board wished the Saxon Group well for the future.</p>
