

Maltings Update

Wiltshire Council officers have been continuing with their dialogue with the owners of the Maltings Shopping Centre who are developing plans to regenerate the shopping centre in line with the approved Maltings Masterplan. This is likely to be delivered in phases and is expected to be the subject of a planning application to be made by the developer in the coming months.

The site is partly owned by the Council and officers will be continuing with this dialogue and working with the site owners to support the successful regeneration of this site in line with policy.
