Chippenham Community Engagements

Our Engagement Vision

Community Engagement impacts on everything we do

- We will use a range of techniques and channels to best connect with our communities to obtain their views on policing in the county, and ensure these techniques and channels are visible and accessible
- We will work collaboratively with a variety of partners to engage with communities where it makes sense to do so
- We will actively encourage and enable people to be part of our policing conversations to help shape our approach, response, policy, and delivery
- We will ensure our diverse and under-represented communities have a voice and are represented in conversations
- We will demonstrate where we have listened and where we have changed our service as a result of what our communities are telling us
- We will evaluate the success of our engagement activity and learn lessons to improve future engagement

Summer Community Engagements June – August 2023

Between June and August 2023 the Neighbourhood Policing Team have completed 197 community engagements in Chippenham.

- 30 Community Engagement Sessions (15 Rural)
- 13 Licenced Premises Checks
- 16 ASB Patrols / Resident Survey Packs
- 2 Engagement Sessions with Womens Refuge
- 12 School / Educational Visits
- 4 Summer Fetes / Events
- Sergeant Ball – Monthly Police slot on Chippenham Hospital Radio
- Chippenham Rural Engagement week (See later slide)
- Attendance of Chippenham Events
 - Chippenham Pride Event
 - Chippenham Folk Festival
 - Chippenham Food and Drink Festival
 - John Coles Park Centenary Celebrations

In 2023 a total of 501 engagements have been completed within the Chippenham Town and Rural Neighbourhood Policing areas.

Great to see the M5A start!

- Camera driving
- Drink and drug driving
- Not wearing a seatbelt
- Driven using a mobile phone
- Speeding

Road users who commit any of the five offences are more likely to be involved in a fatal collision than those who do not.

Police are doing an on-site display of material: peer driving, vehicle decisions and mandatory seats in conversation.

Make us aware of any incidents - for the force, for the community, and for the reporting emergency services staff who have to be where the trouble and subsequent aftermath and we'll see the many this year ahead.

Stopping any more deaths from occurring as a result of something unnecessary and today available is a top priority for us.

Across the Summer, our Community Policing Teams, along with speed enforcement officers and the Road Policing unit will be carrying out patrols in areas where incidents are being seen and driving smart.

A man has been jailed for 15 months after he reverse rammed a police car on several occasions. John Boy Sykes, 30, of Easton Lane, Chippenham, was arrested on May 26, 2021, following a call to police regarding his manner of driving.
Officers attempted to stop the van Sykes was driving in Corsham but he accelerated off at speeds in excess of 80mph towards Tringley.
As the van approached a junction, it appeared to come to a stop. However, Sykes reverse rammed the police vehicle which was behind him causing damage to the bonnet, before driving off once again. Sykes then went on to reverse ram the police vehicle on two further occasions before he and a passenger decamped and fled on foot.
Sykes pleaded guilty to dangerous driving and was sentenced to 15 months imprisonment and given a 24 month driving disqualification when he appeared at Swindon Crown Court on July 21.
Sgt Mike Tippo said: "Sykes was intent on evading police and was adamant that nothing would stand in his way – he reversed at speed into the police car on several occasions before running from the scene and hiding at the Thingley Travelers Site.
"He caused extensive damage to the police vehicle and while it was fortunate that the police officer was not seriously injured, he did require rehabilitation treatment for pelvic injuries as a result of the incident.
"I'm pleased Sykes has been given a custodial sentence. Our officers work tirelessly to protect the public from dangerous individuals and incidents of this nature will not be tolerated."

There's more to policing than just catching criminals, and this week some of our dog handlers enjoyed a different but equally important aspect of the job - bringing joy to some of our more elderly members of the community.

The dog handlers spent a few hours at Casen Lodge Care Home in Chippenham and their visit helped put a smile on the faces of the residents and staff at the home.

Dog Unit Manager Ian Partington said: "The dogs, and their handlers, made a lot of people very... [See more](#)

Police in Chippenham are cracking down on anti-social behaviour involving groups of people in the town's car parks.

Officers have received a growing number of reports from members of the public and local business owners relating to groups of drivers, particularly at various car parks along Bath Road and Hungerdown Lane.

PC Paul Croft, who is leading a week-long operation dedicated to the issue over the summer, said: "We have listened to residents concerns and will be conducting extensive high visibility patrols around the locations which we believe are most affected.
"We know that there are a number of dedicated, law abiding car enthusiasts in our town who do not cause issues within their community, however, there are a small number of individuals who are continuing to meet at various locations late at night and are acting in an anti-social manner, causing criminal damage to some areas and disruption and intimidation to local people."

We're coming to a village near you!

Neighbourhood officers have organised a Rural Engagement Week which kicks off on July 17 – a chance for officers and colleagues from specialist departments to hit for a series of engagement events at villages in the Chippenham area.

The aim of the week is to ensure those living in more remote areas have the opportunity to meet their local policing team, raise any issues and concerns they may have or any advice they may need... [See more](#)

- Theft and Possession Offensive Weapon, B&M Hathaway Retail Park (05/02/2023)

14th July - Prison Sentence Stuart Webb – Imprisoned for 30 Months

Chippenham Rural Engagement Week

We understand that often those living in our more rural communities can feel isolated.

As a Community Policing Team we are committed to engaging with residents in our local villages and talking about some of the issues affecting those living and working there.

Members of the Chippenham Neighbourhood Policing Team conducted a Rural Engagement week between 17th and 21st July 2023.

In conjunction with our internal partners, we visited 12 villages in our exhibition vehicle to offer crime prevention advice, information on our community watch schemes and public consultation in order to learn more about the issues affecting our rural community.

Thanks to the residents of:

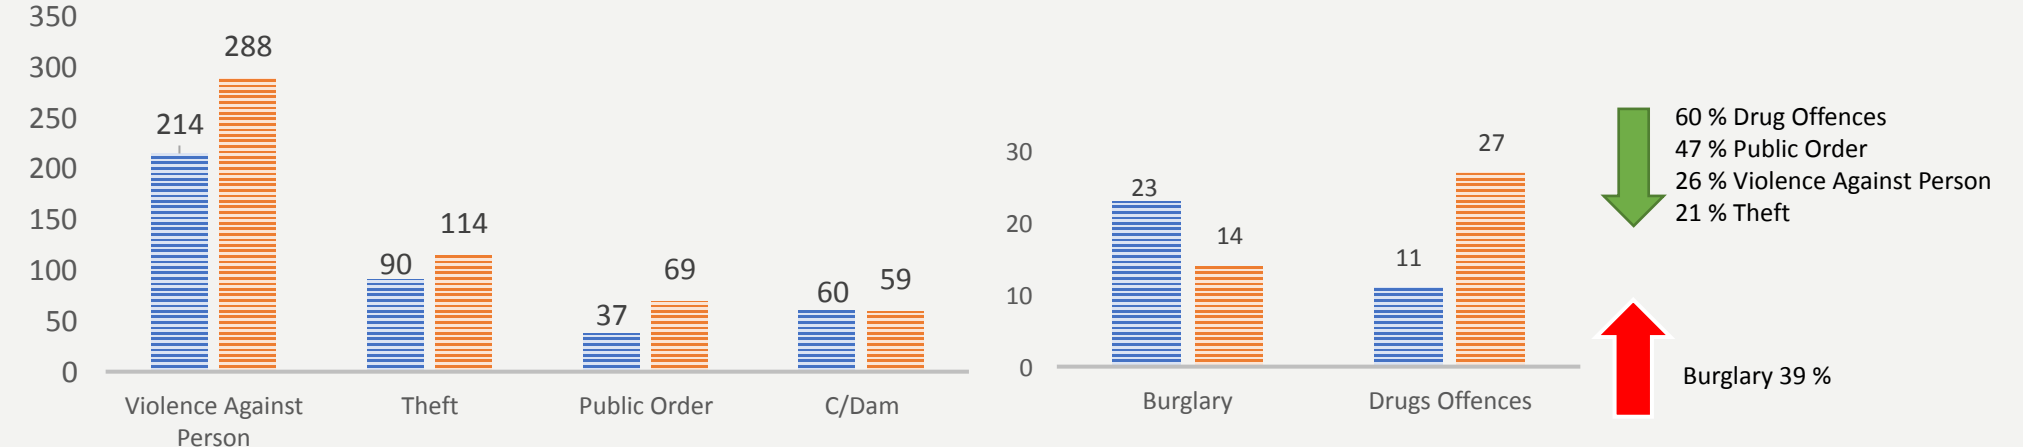

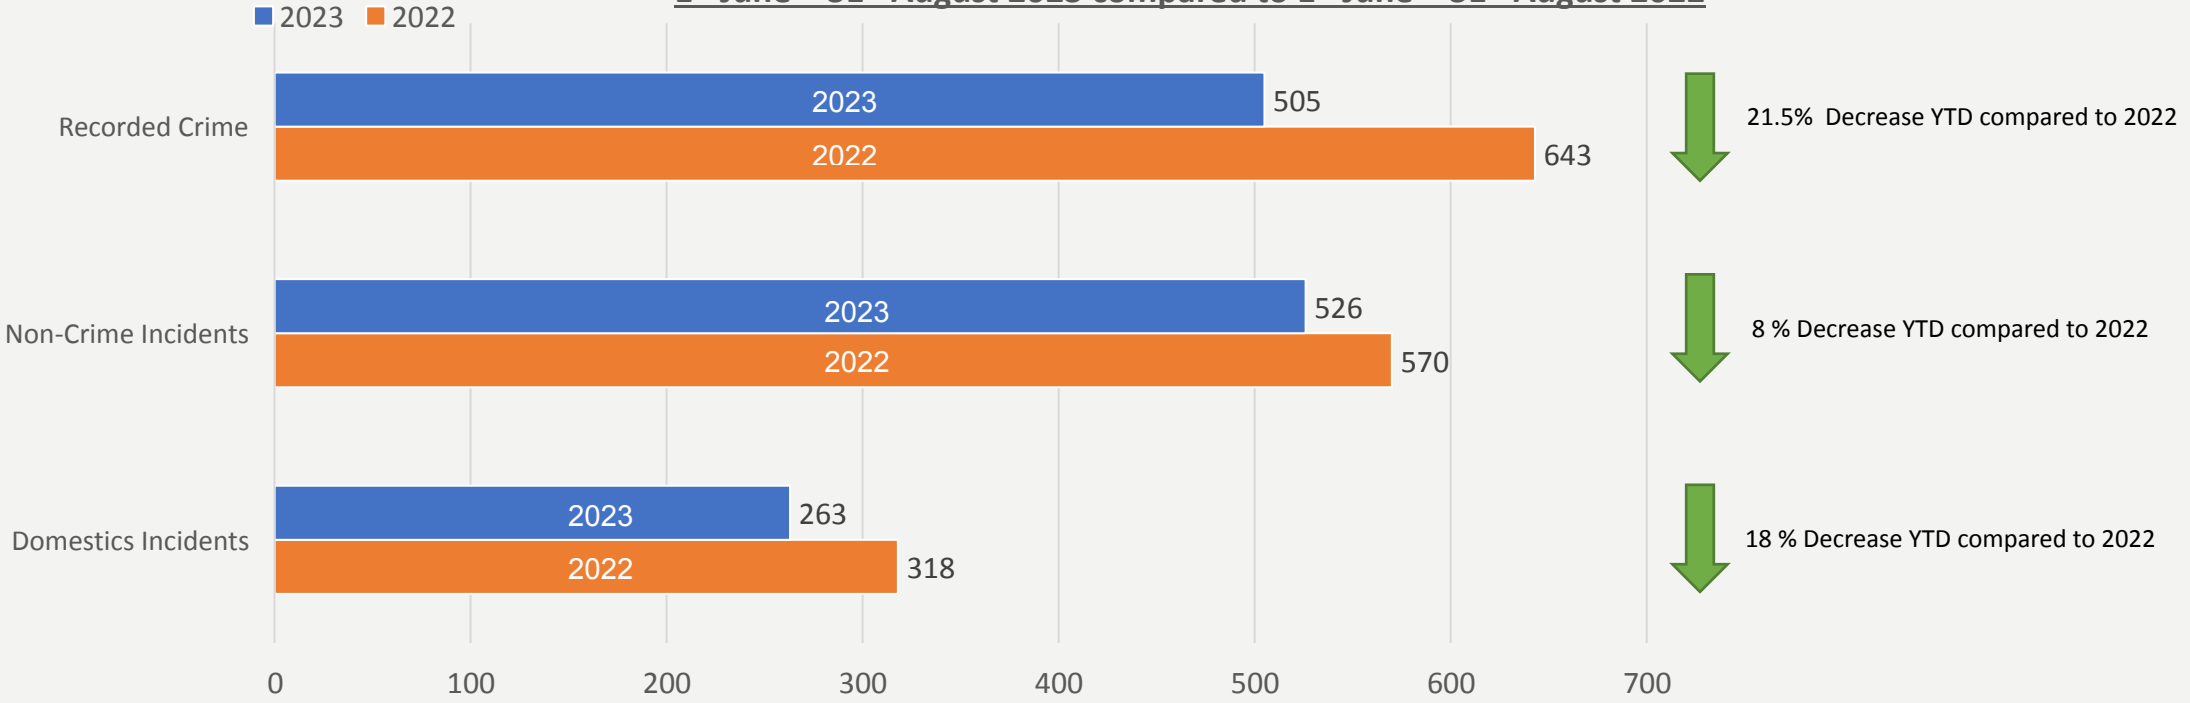

Yatton Keynell, Biddestone, Allington, Hullavington, Kington Langley, Kington St Michael, Sutton Benger, Christian Malford, Langley Burrell, Grittleton, Burton, Castle Combe as well as Cepen Park North (Morrisons) and Cepen Park South (Sainsburys).

The week was a huge success and we will be looking to visit more villages on our patch over the coming months.

We are inviting you to get to know your Community Policing Team even better. Over the past few months, the communications team and your local officers have been working hard to create new areas on the Force website entitled 'Your Area.'

If you've not discovered them yet, the Your Area pages will give you a considerable amount of information about the area in which you live including who your neighbourhood officers and PCSOs are, how to contact them, crime statistics for your area including the top reported crimes and a crime map showing hot spots. If you are interested to know what the local police priorities are you will find them on the pages along with an up-to-date list of meetings and events the team will be attending. You can even find out if there will be speed checks in your area.
