

Reference	Ward	Changes?	Comments?	(A)RO Comments from the review	Action Needed from ERC
11	Brinkworth	Proposed Changes	Comments received	NX1 has 736 electors. ON1 has 296 electors. Having reviewed the polling stations and comments from the review, the (A)RO would be satisfied to retain the existing polling station at Great Somerford, the Walter Powell School Community Room. The proposed change to NV1 will remain as no comments were received to the contrary	Approval Requested, Polling Station Change Only
15	Calne Chilvester & Abberd	Proposed Changes	Comments received	St Edmunds Catholic Parish Hall is not a suitable venue to use as a polling station due to accessibility issues including steep steps inside the hall. The (A)RO acknowledges that the proposed polling station is outside of the unitary division there are no other suitable alternatives. Any suggested venues will be taken into consideration.	Approval Requested, Polling Station Change Only
17	Calne Rural	No proposed changes	Comments received	The (ARO) is aware of the Community Governance Review and changes proposed for 2025 elections. A specific review of polling districts for the Calne Rural area will be conducted in 2024 as confirmation is pending from the LGBCE regarding the re-alignment of Unitary Division areas to make the boundaries coterminous.	Approval Requested, Polling District Change

18	Calne South	No proposed changes	Comments received	The comment received was not specific to a particular polling station. No changes were proposed for this division. As a result of the polling station visit Marden House no longer wish to be available for use as a polling station. (A)RO will consider an alternative venue and will take into account the comments above.	No Change, Approval Requested
21	Chippenham Hardenhuish	Proposed Changes	No comments received		Approval Requested, Polling District Change
22	Chippenham Hardens & Central	Proposed Changes	Comments received	The Unitary boundary changes in 2021 mean that Ricardo Road now falls under the Chippenham Harden & Central. Whilst appreciative of the comment that the Bowling Club is closer for this street, in order to keep the polling station within the unitary division and also convenient for other electors in QJ3 the polling station will remain at St Paul's Church Hall.	Approval Requested, Polling District Change
28	Corsham Pickwick	Proposed Changes	Comments received	Following the response from the Town Council, the polling district NP1 will be retained and Potley Community Centre will remain the polling station. NP1 and NP2 will not merge. The existing NP1 will be re-named as NP3.	Approval Requested, Polling District Change
30	Cricklade & Latton	Proposed Changes	Comments received	The elector will be contacted with details of what the constituency change means outside of this review.	Approval Requested, Polling District Change

48	Melksham East	Proposed Changes	Comments received	<p>The current polling station arrangements are deemed to be suitable. The Water Meadow has been visited in the past but is deemed not to be suitable as there is no separate function room. Schools are only used as polling stations where no other suitable venues can be identified or in exceptional circumstances. The (A)RO welcomes further suggestions of polling stations in the area.</p>	Approval Requested, Polling District Change
49	Melksham Forest	Proposed Changes	Comments received	<p>Melksham Welcome Hall is no longer available. An alternative venue within the unitary division will be sought.</p>	Approval Requested, Polling District Change

59	Pewsey Vale West	Proposed Changes	Comments received	<p>The polling station Hilcott Village Hall identified for XB1 (North Newton) has 372 electors. Polling station visits and comments from the review identify that the polling station Hilcott Village Hall has been demolished.</p> <p>Replacement polling station is Rushall Village Hall Rushall, Pewsey, Wiltshire, SN9 6EN. This polling station is better suited than the parish rooms due to having more parking spaces and better access facilities.</p> <p>The Parish Council's comments regarding ZE1, ZE2 and ZE3 are noted. These polling districts historically vote at Oare Village Hall and no issue has thus far been identified. Oare Village Hall is deemed a suitable venue for a polling station.</p> <p>Merging the polling districts streamlines the administration of the poll without impact to the electorate.</p> <p>The cost of the administration of polls does not fall under the scope of this review however it should be noted a second polling station would be a greater financial burden. The total electorate is 446 for the combined polling districts and it is not deemed that a second venue is necessary.</p>	Approval Requested, Polling District Change
60	Purton	Proposed Changes	Comments received	A polling station (Cotswolds Rise Care Home) has been identified within the new polling district created (PJ4)	Approval Requested, Polling District Change

66	Salisbury Fisherton & Bemerton	Proposed Changes	Comments received	The elector will be contacted. The comment does not fall within the scope of this review.	Approval Requested, Polling District Change
68	Salisbury Harnham West	Proposed Changes	Comments received	Further to comments from the review and a recent parish by-election where the Community Lounge was used, the current polling arrangements are deemed to be suitable. It should be noted that Harnham Free Church has changed it's name recently to Trinity Church Centre	Approval Requested, Polling District Change
76	Tidworth East & Ludgershall South	No proposed Changes	Comments received	Tidworth Community Centre construction is expected to be completed by the next scheduled elections in May 2024.	No Change, Approval Requested
79	Tisbury	Proposed Changes	Comments received	Hinton Hall is deemed to be suitable and accessible to the electorate.	Approval Requested, Polling Station Change Only
82	Trowbridge Drynham	Proposed Changes	No comments received	Following a visit to Holbrook School, the polling station venue is deemed to be suitable and will therefore be retained.	Approval Requested, Polling District Change
83	Trowbridge Grove	Proposed Changes	Comments received	St Johns Church Hall is deemed to be a suitable venue and accessible within the division. No suitable additional venue has been identified however suggestions in the future will be welcomed	Approval Requested, Polling District Change
93	Westbury North	Proposed Changes	No comments received	No specific examples of where a street votes in two different polling station. It should be noted that if a street is split by a unitary division boundary it is not possible to amend this under the scope of this review.	Approval Requested, Polling District Change

94	Westbury West	Proposed Changes	Comments received	No specific examples of where a street votes in two different polling station. It should be noted that if a street is split by a unitary division boundary it is not possible to amend this under the scope of this review.	Approval Requested, Polling District Change
92	Westbury East	No proposed changes	Comments received	No specific examples of where a street votes in two different polling station. It should be noted that if a street is split by a unitary division boundary it is not possible to amend this under the scope of this review.	No Change, Approval Requested
95	Wilton	Proposed Changes	Comments received	These three polling districts have voted at Wilton Community Centre since 2017 and no issue has thus far been identified. It is therefore deemed as a suitable venue.	Approval Requested, Polling District Change
73	Sherston	Proposed Changes	Comments received	<p>There does not appear to be sufficient need to maintain two polling districts and polling stations within the Parish of Luckington. The electorate of the parish is 522.</p> <p>It is acknowledged that the polling station for OO1 is convenient for the 83 electors in Alderton however, Luckington Village Hall is situated centrally within the Parish. The two Village Halls are approximately 1.1 miles away from each other.</p> <p>It is therefore deemed that the original proposal is upheld.</p>	Approval Requested, Polling District Change

90	Warminster North & Rural	Proposed Changes	Comments received	<p>The minor boundary change proposal between IC1 and IC2 has been revoked as it is unnecessary.</p> <p>The polling station for Hollybush Road (IC2) is currently Warminster Garrison, not the Cricket club.</p> <p>The comment regarding IC2 voting at the Warminster Garrison would mean that electors would be voting outside their unitary division which would require approval the designation of the polling place to be the polling station. The alternative polling station would be Warminster Civic Centre.</p>
98	Wyllye Valley	No proposed changes	Comments received	<p>Heytesbury and Knook – there is no change to the polling station. The comments refer to a polling station change to Codford in 2021 only which was necessary due to Covid restrictions.</p>
