Local Priorities & Updates

Priority	Update
Non-dwelling burglaries	Whilst we have seen a significant reduction in non-dwelling burglaries over the last couple of months in the Broadchalke and Dinton areas, we are aware that there has been a few reports in Redlynch, Landford and Downton. These have predominately involved business premises and outbuildings. High visibility targeted patrols are being carried out in these areas.
ASB	ASB continues to be a priority in the Alderbury and Longhedge area. High Visibility patrols are being conducted at certain times to deal with any incidents and provide reassurance to the community. The police are working very closely with partner agencies including the Parish Councils, and local community groups to address some of the issues and concerns raised.
Off road motorbikes/ quadbikes	Reports have been received regarding the use of off road motorbikes and quadbikes being ridden in the Wilton area which is causing a danger to road users. Targeted patrols are being conducted in this area, to identify the perpetrators and deal with them robustly.
Rural Crime	Rural crime continues to be a focus for the team especially now we are in the poaching / hare coursing season. We are continuing to conduct proactive operations with our neighbouring forces and our Rural Crime Team in tackling rural crime.

Local Priorities & Updates Continued

Priority	Update
ASB regarding catapults	We have received several reports of youths using catapults in the Bemerton Heath and Redlynch areas. These incidents on occasions have caused damage to vehicles and windows. Local officers are working with partner agencies in order to identify those responsible and adopt a joined up approach in dealing with the individuals robustly.
Community Speed Watch	The teams continue to support, where capacity allows, the positive work the Community Speed Watch teams do across the area.
Business Crime	The Neighbourhood team have been working closely with are partner agencies to provide reassurance to our business community in the City Centre and deter shoplifting offences. High visibility patrols have been carried out in the City and Southampton Road.
Vulnerable checks	Officers conduct regular visits to our identified vulnerable people to both reassure them following reported concerns and to deter visits by criminals who wish to exploit them. We have been working closely with Wiltshire Council Housing on evidence to support several injunctions which we have now got in place. These premises are visited regularly by the teams to provide support to those who are most vulnerable.
