## Careless or inconsiderate driving

The offence of driving without due care and attention (careless driving) is committed when your driving falls below the minimum standard expected of a competent and careful driver, and includes driving without reasonable consideration for other road users.

## Some examples of careless or inconsiderate driving are:

- overtaking on the inside
- driving too close to another vehicle
- driving through a red light by mistake
- turning into the path of another vehicle
- flashing lights to force other drivers to give way
- misusing lanes to gain advantage over other drivers
- the driver being avoidably distracted by tuning the radio, lighting a cigarette etc
- unnecessarily staying in an overtaking lane
- unnecessarily slow driving or braking
- dazzling other drivers with un-dipped headlights
