- We will advertise our public meetings and surgeries on the **Your Area** section of the Wiltshire Police website, on local Neighbourhood Policing Team social media channels and Community Messaging
- Every engagement opportunity will be recorded so we can ensure we are meeting our commitment to you
- We will hold regular face to face meetings and events with a wide range of community groups such as businesses, faith groups, youth groups and residents' associations
- We will bring policing out to your community, through the proactive use of the Neighbourhood Engagement Vehicles.

ENGAGE REGULARLY THROUGH ONLINE CHANNELS

- We will actively use local Neighbourhood Policing Team social media channels to engage with our communities
- Every Neighbourhood Policing Team will host quarterly Facebook Live events
- We will exchange information with those signed up to our Community Messaging alert system via email, text or phone and continue to promote this free service to new members.

INCREASE AND BROADEN OUR ENGAGEMENT ACROSS NEED TO REACH COMMUNITIES

- We will build Community Beat Profiles for each of our Neighbourhood Policing Team to help us better understand the specific communities within our local areas
- We will engage with specific community groups and those living and working in particular geographical areas about those issues that are important or impacts most upon them
- We will work with young people and our partners in education settings to help improve safety, reduce reoffending and, along with relevant other agencies, offer support to those who need it.

- We will publish local policing updates, wherever possible, in community magazines / newsletters or bulletins.

CONSULT AND ENGAGE WITH COMMUNITIES ON KEY DECISIONS

- We will ask the public to take part in questionnaires and surveys to build information and improve our policing service
- We will provide visibility at Parish Council meetings and, in the absence of physical attendance, will provide a written update. We will also support a programme of additional meeting attendance through Area Boards or Community Safety Groups
- We will action feedback, concerns or complaints – and tell you what action has been taken. If we cannot help, we will help signpost the public to who can
- We will work closely with our partners, such as local authorities and parish and town councils, and community representatives i.e. businesses, faith groups, schools to tackle community issues
- We will work closely alongside local watch schemes to enable strong partnerships between the police and communities
- We will consult regularly with our Independent Advisory Groups (IAGs) to ensure they have a voice as a critical friend to help shape our policing service.

Our Engagement Vision

Community Engagement impacts on everything we do

- We will use a range of techniques and channels to best connect with our communities to obtain their views on policing in the county, and ensure these techniques and channels are visible and accessible
- We will work collaboratively with a variety of partners to engage with communities where it makes sense to do so
 - We will actively encourage and enable people to be part of our policing conversations to help shape our approach, response, policy, and delivery
 - We will ensure our diverse and under-represented communities have a voice and are represented in conversations
 - We will demonstrate where we have listened and where we have changed our service as a result of what our communities are telling us
 - We will evaluate the success of our engagement activity and learn lessons to improve future engagement

Chippenham and Corsham Rural Engagement Week

5th to 9th August 2024

We understand that often those living in our more rural communities can feel isolated.

We are committed to engaging with residents in our local villages and talking about some of the issues affecting those living and working there.

Members of the Chippenham and Corsham Neighbourhood Policing Teams conducted Rural Engagement sessions between 5th and 9th August following the success of the 2023 events.

The new Exhibition vehicles were on display for these sessions. Officers offered crime prevention advice, information on community watch schemes and offered residents the opportunity to discuss issues affecting them in the community.

Officers were joined during the sessions by a number of internal partners including the Wiltshire Rural Crime Team and the Office of the Police and Crime Commissioner for Wiltshire and Swindon.
