Hi Tom

He has not applied for Friday or Saturday and I do not think, under Street Trading Applications Conditions, we can stop him opening, provided he does so after 9.30am, if he wants on the High St. The Market Place will not be affected by this time restriction. Perhaps this application is due to the success of our weekend Markets, and is another welcome step towards us becoming, once again, truly a Market Town.

Hi Paula,

We run Markets on a Friday and Saturday in the High Street and Market Place which include fruit & veg stalls so the trader could not trade then. I would also raise concerns on how he was going to set up as the road is not closed until 9.30am on weekdays and he could block the road.

Do you have the traders details, we might be able to offer him a pitch on the Saturday market or markets in other locations or at least get him on our waiting lists.

Regards

Tom
