Section 3 - Additional information to support your application e.g. consultation & community involvement

Yatesbury Village Hall is the only community facility in the village and is appreciated and well used by the population. Following a project to build a dedicated toilet facility with disabled facilities and improved access, which was completed Autumn 2005, the poor state of other aspects of the hall was shown in stark contrast. The hall is now being completely redecorated on a self-help basis while the outstanding major problem is to replace several windows. The village has raised £3,665 towards this work. This will cover the costs of the main hall windows (£3,137), the Village Hall Management Committee are, therefore, applying for a community award in order to complete the project in its entirety.
