What is the Community benefit of your project, and approximately how many people will benefit?

The population of Corsham is going to increase by 18% in the next 5 years, so more under 5s children will be requiring playschool places.

Disabled children will have much better facilities in the new premises.

We will change part-time to full-time care offering longer and more flexible hours. Also in time we hope to do breakfast and after school clubs, which will benefit all the children, parents and schools in Corsham.

We will be developing links with special needs teachers and a speech therapist.

We will be able to take more students from the local schools and colleges, to give them the experience they greatly need.

NWDC will not meet future running costs for projects. Please tell us how these will be met in future.

We pay £8,500 per year rent at Mansion House. Our rent for the bungalow will be only £10 per year. Please see business plan enclosed
