Section 3 - Additional information to support your application e.g. consultation & community involvement

The scheme has provided 500 hours of cover each month (on average) so far, 70-75% coverage. In the first instance it is our aim to extend coverage of the existing area, through training new members. Secondly we aim to extend the scheme into the wider community area.

Wiltshire St Johns Ambulance and Wiltshire Ambulance Service NHS Trust believe that, with the right training, equipment and support, Neighbourhood First Responders can work alongside NHS ambulance crews to provide the best level of pre-hospital care possible. Such a partnership is vital in the more rural areas, such as Hilmarton.
