

WILTSHIRE COUNTY COUNCIL

HIGHWAYS ACT 1980 – SECTION 90A

PROPOSED CONSTRUCTION OF SPEED CONTROL CUSHIONS
HIGH STREET - DILTON MARSH

NOTICE IS HEREBY GIVEN that Wiltshire County Council as Highways Authority proposes to construct one set of speed control cushions (comprising two individual cushions) and two sets of speed control cushions (comprising one cushion and one traffic island) for the purpose of controlling the speed of vehicles using the road referred to below for safety and environmental reasons in conjunction with development taking place in the area.

- A. The proposed set of speed control cushions (comprising two individual cushions) will have a height of 75mm and will be located as follows:

High Street	At a point approximately 115m. west of its junction with
Dilton Marsh	Friars Close; and

- B. The proposed two sets of cushions (comprising one cushion with a height of 75mm and one traffic island) will be located as follows:

High Street	At a point approximately 25m. west of its junction with
Dilton Marsh	Friars Close; and at a point approximately 165m. west of its junction with Friars Close

A copy of the plan may be inspected at the offices of the Director of Environmental Services, County Hall, Trowbridge during normal office hours.

Any person wishing to make objections or other representations to the proposal should do so in writing to the undersigned together with the grounds on which they are made quoting reference JM/TRO/DMARSH by no later than 24 February 2003.

Data Protection Act 1998 – Requirement

The personal details of anyone writing in will be included in the Committee Report which will be published on the WCC Website, unless the individuals concerned state, in writing, their objection to the inclusion of their names/addresses in the publication.
