

Wiltshire Health Overview and Scrutiny Committee
DRAFT Work Plan for the Scrutiny of Commissioning.

Priority Key.

1 = A topic felt to be valid for review

2 = A topic that needs a fact finding exercise first to see if a review is required

3 = A topic that was recently reviewed or covered by standing updates from partner Organisations

Priority	Group	Subject	Timescale	Background
1	2&3	Extra Care Housing Units	New Council	900 Units Identified as being required. Is Needs Assessment correct? Is Geographic Split correct Will it be achieved by 2014 What are the year 1, yr 2 plans What land is provided by LA/NHSPCT to enable ECH
1	3	Learning Difficulties Units	New Council	70 Units Identified as being required. Is Needs assessment correct? Is Geographic Split correct Will it be achieved by 2014 What are the year 1, yr 2 plans What land is provided by LA/NHS/PCT to enable ECH
1	1 &4	Public and patient Involvement	Now	How do the PCT and DCS involve the public / patients in Commissioning and how do they know it is effective? What is done with the knowledge gained from the engagement?
1	4	GP Influence on Commissioning	Now	How are the GP Consortia influencing the Commissioning of Services? Choose one of the consortia to explore this with.
1	4	Falls Prevention Strategy	Now	How are services being Commissioned to implement the Falls Prevention Strategy and subsequent rehabilitation

Priority	Group	Subject	Timescale	Background
1	1	Access to Primary Care Services	New Council??	Getting to Primary care services is a problem for some people. What is being done to reduce this concern? How are local networks being promoted / developed
1	1	Respite Care	New Council	How does DCS commission Respite Care? How do GPs request respite care?
1	1	Dentistry	Late 2010	Provision of NHS Dentistry in Wiltshire. There is a National Review taking place at present to review the NHS Contract so the HOSC should await the outcome before tackling this topic.
2	3	Adding Life to Years & Years to Life	Now	Is Commissioning achieving this, or is it just cost cutting. What is the public perception.
2	2	Emergency Care Systems	New council	(check if this is covered by other committee) Bad weather contingencies- how are Fire services, PCT, DCS, Police etc working together?
2	1&2	Health Education	Now	Health Education in general. Children's Health Education. Early years health education
2	2	Management Teams	Now	Delayed Discharges, delayed admissions, Extra Care Homes and IT.
2	2	Relationships	New Council	How are the PCT, DCS, GPs, DCE, and Hospitals working together? .
3	2	Neighbourhood Teams	Just reviewed.	How are the teams performing? How is staff Morale?
3	2	Financial	Now	What is current status and what are the plans and priorities for the future. What is the PCT interested in?
3	2	Mental Health	Now	Performance Management
