

**The Development of Children's Centres 2006- 2008**

**Executive Summary**

Wiltshire has a target to provide twenty children's centres by March 2008.

This report provides current information about the progress of the project, identifying the risks involved and highlighting the opportunities to work in partnership with family and health services to benefit the young children of Wiltshire.

**Proposal**

The Committee is requested to consider and comment on this report

**Reasons For Proposals**

To ensure that the Committee feels confident about the real and planned progress of this project.

**Bob Wolfson**  
**Director – Department for Children & Education**
