

My proposal will be,

That the Implementation Committee:

- (i) The text for Site Visits in the Planning Code of Good Practice for Members of Wiltshire Council to be as set out by the Constitution Focus Report as set out in paragraph 4.
- (ii) The Planning Code of Good Practice paragraph 9.5 and 11 be reviewed at the end of the interim period.
- (iii) Delegates authority to the Director of Development to prepare a protocol for site visits as an appendix to the Code of Good Practice.
