

**SEMLEY****LETTERS OF OBJECTION/SUPPORT**

LETTER FROM	OBJECTION	
Anne Megdiche March Cottage Semley	1.	Supports the lowering of the limit to 30mph but considers it should extend further south by approximately 350 metres to cover a group of properties and the bends.
Sedgehill and Semley Parish Council	2.	Unanimously agreed to support the proposal but also requested an extension westwards of approximately 100 metres towards but excluding the access to the Old Rectory.

**Comments**

1. The southern extension of 350 metres has very little development and does not meet the new 30mph criteria. There have been no reported injury accidents in the latest three year period.
2. There is no frontage development along this 100m length and an extension would be contrary to the criteria.

**Summary**

The scheme should be implemented as proposed.
