Appendix B. Public Notice in *Wiltshire Times* newspaper dated 5 & 12 January 2001

Appendix C. Statements showing a continuing qualifying use for over twenty years and other statements showing a qualifying use.

Part 9 Other facts relating to the application

Penleigh Park Recreation Ground is an open space of some six-and-a-half acres. This application relates to that part shown edged green on the attached plan.

The Recreation Ground became open space shortly after 7 October 1971, when it was acquired by the former Westbury Urban District Council under the powers conferred by the Physical Training and Recreation Act 1937.

The Recreation Ground passed into the ownership of West Wiltshire District Council (WWDC) in or about 1974 as a result of local government re-organization. Its area was then 6.45 acres, and it was numbered 1926 in the Ordnance Survey sheets for Westbury.

Since 31 July 1980, being for more than twenty years, the application land has been used as of right for lawful sports and pastimes by local inhabitants. The land was also used in the same way in earlier years, but this application does not rely on that earlier period.

WWDC has acknowledged that the Recreation Ground is open space by advertising in the *Wiltshire Times* on 5 and 12 January 2001 (Appendix B) its intention to dispose of it, stating in its public notice "This Notice is posted pursuant to S. 123 (2A) Local Government Act 1972". The notice and the notice map were misleading, in that they referred to the intended grant of an option to dispose of land already sold.

On 24 July 1998, a member and an officer of WWDC entered into a transfer of some two-and-a-half acres of the Recreation Ground to Persimmon Homes (Wessex) Ltd. This application does not relate to the land then sold.

Supporting statements by users of the application land are attached (Appendix C).

Public Notices

LAND AT PENLEIGH PARK PLAYING FIELDS

The Council is considering granting an option to dispose of land known as Penleigh Park Playing Field to the developers of Westbury Leigh.

The intention is to work with the community, local sports organisations and the developers to achieve a 25 acre development on the western side of the proposed WESTBURY LEIGH, Distributer Road. The money received from the disposal of this land and the adjoining Redlands site belonging to Matravers School will enable a larger sized area to be developed.

This option will oblige the Council to sell the Playing Field to the developers at a future date. The Council will only grant the option if terms and conditions are agreed with the developers for replacement public open space land.

The option will not be exercised (i.e. the land will not be sold) if planning permission is not forthcoming for the development of the new recreation area.

A map showing the precise area of land to be sold and the proposed replacement land is available at the offices of West Wiltshire District Council and Westbury Town Council. Dilton Marsh Parish Council also has a copy of the proposals.

The land over which the Council will grant the option is currently used for recreation. The Council therefore wants your views on whether it should grant this option.

If you would like to make any comment please write to Trevor Savage, Head of Leisure, at the address below before 9 February 2001.

West Wiltshire District Council, Bradley Road, Trowbridge, Wiltshire, BA14 0RD.
