Dear Andrew

Thank you for your letter dated 29<sup>th</sup> May 2003, which was considered at the last meeting of the Town Councils Planning Committee.

The Town Council whilst supporting the 20 MPH speed limit have expressed two concerns, these are as follows:

- (a) the road humps are considered to be too far apart and encourage vehicles to speed down the centre of the road. This has become a very dangerous practice in this area.
- (b) the level of signage be improved regarding the 20 MPH area could be improved.

I hope that you are able to take these matters into consideration.

Yours sincerely

Johnathan Bourne  
Town Clerk.
