Dear Mrs Handsley,

Thank you for your communication.

We simply lift the barbed wire adjacent to the trammelled footpath and get through, as we have done since the barbed wire fence was erected!

Would you please phone me on 01747-861703 tomorrow morning (Thursday, 31st March); things have progressed. I went through the barbed wire just now (9.30pm.) to take my dogs for their night run. I shall tell you how the pathway was obstructed, and all that has transpired since Tuesday evening, when you phone and I look forward to hearing from you.

Yours sincerely,

Sue Birch
