

STANDARDS COMMITTEE
4 October 2006

PROPOSED WORK PROGRAMME FOR 2007

Purpose of the Report

1. The purpose of this report is to ask members to agree a work programme for the forthcoming year.

Main Considerations for the Committee

2. Last year the Committee agreed to reduce the number of meetings from six per year to four which has worked well.
3. Attached as an Appendix is a summary showing the proposed meeting dates for the next 12 months together with the reports that will be presented at each of these meetings. Obviously this can be continually monitored and updated as and when required.

Recommendation

4. The Committee is recommended to agree the work programme and meeting dates for the forthcoming year as set out in the attached Appendix.
