Dear

**Re: Wiltshire Pension Fund Committee – Appointment of District Council Deputy**

I was asked at the last meeting of the Wiltshire Pension Fund Committee to approach District Council colleagues regarding the possible nomination of one of your members to serve as the Deputy to Mrs Coleman (North Wiltshire), who is currently the District Council representative on the Committee. The previous Deputy, Mrs Thorpe, is no longer a District Council member.

The person would only be required to attend when Mrs Coleman was unable to. The Committee meets quarterly – the dates for 2004 are 23 February, 24 May, 2 September and 22 November. Persons with some experience in the area of pensions and/or investments would be particularly welcome, but at least an active interest in the subject would be helpful.

I would be grateful if you would communicate this vacancy to your Authority's Members and I look forward to hearing from you about suitable nominations in due course. If we get more than one nomination, we will put it to a vote in the existing Committee.

Thank you for your help with this matter.

Yours sincerely

Mike Prince  
County Treasurer
