**3 - Additional information to support and strengthen your application e.g. consultation & community involvement**

The Well House is a very distinctive feature in Hilmarton Parish. Any visitor to the village of Hilmarton will see and often comment on the structure. The Well House is featured on 3 pages in our Parish Plan and also used as a drawn image on the Parish Council headed note paper. (Copy attached).

The Community value this building for its links with the past and the interest it generates. Situated only a very short distance from Hilmarton Primary School and Hilmarton village Playgroup, the children find it fascinating when told what function it used to play in the community. Local residents plant seasonal flowers around the Well House in tubs, which again shows the pride taken in this focal point.
