<b>What is the Community benefit of your project, and approximately how many people will benefit?</b> To allow disabled drivers to park outside front of village hall, instead of parking on grass area, then crossing road before mounting kerb to get onto driveway to Village Hall. Also it would allow people to delover goods eg. food, drinks etc for parties, shows and youth club events etc. to the front of the hall with ease. The lowering of the kerb will also make it much safer for people leaving the hall on dark evenings without the worry of tripping over the kerb. The main benefit of lowering the kerb will be to apporx. 60 disabled drivers and several hundred people walking up and down the hall driveway on dark evenings.			
<b>NWDC will not meet future running costs for projects. Please tell us how these will be met in the future</b> There should be nono running cost involved, but any repair costs in the future will be met by the Village Hall Committee.

<b>3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures</b>				
Compton Bassett Village Hall had a disabled toilet installed last year with grants from Awards for All and Scope, this has been a huge success. Our Parish Council provided funds to improve access to the hall for wheelchair users, and the Village Hall Management Committee have funded a concrete area for disabled parking, all we need is now for the kerb to be lowered. I have been in touch with Councillor David Evans about the kerb dropping at the Village Hall and he was very helpful suggesting that I contact NWDC through Jane Vaughan who kindly sent me information and this application form.
