

Executive Minutes, 13th October 2005 – Appendix 1

JOB DESCRIPTION

Job Title: Car Parking, Access and Transportation Strategy Champion

Main Purpose:

1. Work with the officer(s) responsible for scoping and developing the overall strategy and make recommendations to Executive on the future provision of car parking within the District taking into account the following:
 - Charging Policy
 - Decriminalisation Policy
 - Residents Parking Policy
 - Transportation and Planning Policy
 - Short and Long Term Stay Policy
 - Future capacity of parking provision
 - Possible introduction of residents parking in central areas
 - The effects of nearby larger towns, on retailers and businesses within the market towns
 - Possible extension of parking enforcement beyond current limits

Key Targets/Deliverables:

1. Present to the Overview & Scrutiny Committee for submission to the Executive a draft scope for the strategy following consultation (by January 2006)
2. Present a draft options strategy to the Overview & Scrutiny Committee and then the Executive prior to further public consultation.
3. Present a draft implementation project plan to be considered by the Overview & Scrutiny Committee and then the Executive (by May 2006)
