3 - Additional information to support and strengthen your application e.g. consultation & community involvement

the work that we do not only benefits the people taking part but also gives pleasure to so many people not just in chippenham but many surrounding towns and villages, our audience consists of 200 people each evening over a period of 9 performances = 1800. it is because of this strong support that we feel we need to continue giving back to the community, as without their continued support we would have no reason to continue. we provide a high standard of entertainment to so many people who may not be in a position to travel further. we also entertain and provide for people who are less fortunate than ourselves by offering reduced prices and by travelling to local residential homes. our aim is to provide an entrance to the arts and instil commitment, confidence and team work. finally we are the only group in chippenham to have supported the need hall for over 26 years and would like to continue supporting it for many more years to follow. we still have a few more fund raising events to follow.
