Safety regulations have become more stringent on play areas over the past years and following complaints from mothers with young children, the Playing Fields Association is concerned that if the surfacing is not replaced as a matter of urgency the play area will have to be closed down for Health & Safety reasons until such time as the surface is attended to. This would affect the family leisure of a significant number of local families who are now able to walk to the amenity and would have to drive to another village or into Chippenham with their young children in order to provide them with play facilities. (Attached photographs 3-4 show the current state of the surfacing)
