The Provision of a full court MUGA will address the lack of facilities for teenagers in John Coles Park and the surrounding area which has suffered from a lack of dedicated teenage facilities to the detriment of the childrens play area, the neighbourhood and park users in general.

The facility will promote and support teenagers in choosing a healthier lifestyle option in line with making healthier choices easier.

The provision of a MUGA will provide improved V.F.M. for the Community tax payer through increased usage of an underused facility and reduced anti social behaviour/vandalism.

The introduction of the facility is a key objective as identified in the Town Councils Best Value Performance Plan 2007/08 and has been duly budgeted for in the 2008/09 budget.

Public consultation and community involvement is covered within the actions of the Best Value Performance Plan.
