What is the Community benefit of your project, and approximately how many people will benefit? The group was formed in September 2000 with 6 members. We now have over 70 members and a number of 'outworkers', those who cannot get to our meetings but who we supply with materials and collect their handiwork. Many of our members live alone, some struggle with physical disabilities and we know of members who were housebound but motivated by their wish to join the Group are in regular attendance and have become involved with other outside activities. It has become an important social gathering, old friendships renewed and new ones made not just confined to the parish of Corsham but including the residents of Box, Neston etc. We are sure many members are confined to fixed and limited incomes and would not be able to participate if obliged to make a substantial financial contribution. Without grant aid, the group could not function.					
NWDC will not meet future running costs for projects. Please tell us how these will be met in the future Ongoing fundraising

## 3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures

Whenever possible we support local events: the Corsham Christmas bazaar, the French Market, Gastaard Fete, Wiltshire Air Ambulance. Have produced small souvenirs for Box/Derry Hill Guides, sweaters for teddies for the Box Brunel festivities, involved with after hours teaching at Box (and also Bath), offered warm items for Women's Refuge and also a teaching facility, garments for premature baby units in Bath and Gloucester. Our project to produce 2007 fingerless mits caught public attention through publicity in parish magazines and local press and members of the public not associated with the Group became involved. We are happy to supply 'comfort goods' where there is a need and this has included sending items via 'AidUkraine' to that country. We have been lucky to be supported by friends and neighbours with necessary transport and skills of accountancy, IT, carpentry and also Box and Corsham Councils.
