Which Community Area Funding Priority does your project seek to address?

The project addresses the lack of recreational facilities throughout the Community Area as referred to at page 23 of the Community Plan.

If successful, how will you spend your grant (e.g. erect a youth shelter)?

Purchase and install a new roundabout and climbing frame on the Ashton Keynes playing fields.

What does your project aim to achieve?

Replacing a 20 plus year old roundabout and a 20 plus year old climbing frame with up to date and safer play equipment. The existing items have reached the end of their useful life span and are outside the recommended risk level for safe play, as identified in a recent Play Area Safety Inspection report carried out by RoSPA.

What sort of funding are you applying for? (please tick) Capital > £500 Revenue

If you are applying for a Revenue award could you guarantee that the Project can be completed by 31 March 2006? (please tick) Yes No

If there are on-going running costs to your project please tell us how these will be met in future (not by NWDC)

The two Ashton Keynes playing fields are fully managed by the Playing Fields Committee, which includes a Parish Council representative. Although it has its own income from usage by the Football Teams and the Tennis Club, it is also supported by small grants from the Parish Council. The safety checks on the equipment will continue to be made by the RoSPA, who recommended the replacement of the Roundabout and Climbing Frame. The Playing Fields Committee will largely pay any running costs, with small grants from the Parish Council.

How will this project benefit local people and approximately how many will benefit?

The roundabout and climbing frame are two of the most used pieces of play equipment. Play is an important part of the children’s education, physical and intellectual development. It will benefit the children who live in and around the village (150 children attend the Ashton Keynes Primary School) and other Parishes.

What other Agencies/Groups/Organisations are involved in this project?

Ashton Keynes Playing Fields Committee and the Ashton Keynes Primary School
