3 - Additional information to support and strengthen your application e.g. consultation & community involvement

It is our policy to involve more members in the role of instructors. This equipment will greatly enhance their presentational skills. It will also introduce our older members to modern technology. It's our intention to increase our membership and classes and to involve other local organisations. The digital projector would allow us to provide a far more professional presentation than on our previous lectures where an overhead projector was used.

We aim to educate all ages of Purton residents. There is no restriction to our lectures and several non members attend the courses. Several ex and current pupils of the senior school have attended. We also have provided a mini museum for the junior schools pupils.

We also hold historical film nights and the projector would enable us to provide a digital presentation of old films. Pupils of Braydon Forest and other schools have attended these presentations.

Our membership for the year is six pounds but visitors are welcome. We usually have 4-5 per meeting paying a fee of £1.
