What is the Community benefit of your project, and approximately how many people will benefit? (IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)) Wootton Bassett school is the home pitch for the Wootton Bassett Hockey Club and due to its elevated and exposed position offers little protection from the elements for players, officials and supporters. The Club currently has over 150 members with an additional 1500 school pupils on site. With no clubhouse on site and with teams visiting us from as far afield as Plymouth and Bude for league matches, these shelters will not only offer protection from the elements for the visiting teams and club members but will also be used by the pupils at the School. We have an ever growing junior section at the Club and during the winter months it is important that we have a sheltered area for the younger players to seek refuge from the worst of the weather. It would also be of use to those parents who stay and watch their children being coached.				
NWDC will not meet future running costs for projects. Please tell us how these will be met in the future Fundraising, sponsorship, support from the school and GSL
