----------------------------	----------------------------	----------------------------	----------------------------	----------------------------	--

In which Parish Council area will your project take place? Wootton Bassett

Which Community Area Funding Priority does your project seek to address?

The project addresses the following priorities listed in the Community Plan – the lack of recreational facilities throughout the area (page 22), lack of Public Open Space (page 22), tourism opportunities (page 8), the protection of sites of special status (page 17), concerns about population's general health (page 21), support for local schools (page 10).

If successful, how will you spend your grant (e.g. erect a youth shelter)?

The grant will assist in achieving the refurbishment of Jubilee Lake supporting resurfacing, creation of new footpaths including handrails, provision of bench seats, picnic tables, tourism signage, interpretation panels and tree planting.

What does your project aim to achieve?

To massively increase the standard of this facility and thereafter improve awareness and usage of Jubilee Lake which it is hoped will receive designation as a local Nature Reserve. The enhanced facility would increase recreational and leisure facilities for residents of Wootton Bassett and throughout Area 2 as well as for visitors.

What sort of funding are you applying for? (please tick) Capital > £500 Revenue

If you are applying for a Revenue award could you guarantee that the Project can be completed by 31 March 2006? (please tick) Yes No

If there are on-going running costs to your project please tell us how these will be met in future (not by NWDC)

All ongoing costs will be met from the precept as part of the Town Councils base budget. Indeed the Council has agreed to increase the precept from £10,000 to £20,000 per annum (from 1st April 2006) for maintenance of the Jubilee Lake site.

How will this project benefit local people and approximately how many will benefit?

Residents and tourists visiting Wootton Bassett in addition to educational use which this facility may offer to local schools. It is difficult to estimate precise numbers but we anticipate this facility being visited by many hundreds of people possibly from a radius of about 20 miles.

What other Agencies/Groups/Organisations are involved in this project?
 Jubilee Lake Conservation Group and Wootton Bassett Angling Club. Other organisations indirectly involved include North Wiltshire District Council (Senior Regeneration Officer), Community First, (and through them a Landfill Tax Operator), English Nature, Forestry Commission, Row de Dow project group, Sea Cadets and Army Cadets and all Local Schools.
