------------------------	---

1. Introduction

- 1.1 The report seeks Member's approval for allocation of £35,000 of Affordable Housing Grant to provide 1 affordable rented home at Allington Way in Chippenham.

2. Options and Options Appraisal

- 2.1 To approve the allocation of the requested AHG to assist Westlea Housing Association in providing 1 new affordable home for affordable rent.
- 2.2 Refusing the request for AHG could result in Westlea not being able to provide this home for affordable rent.

3. Background Information

- 3.1 Westlea Housing Association is one of the Council's five affordable housing development partners.
- 3.2 Allington Way, Chippenham is an existing garage area owned by Westlea Housing Association. Westlea have obtained detailed planning permission to develop the site.
- 3.3 The unit to be funded with AHG is 1 of 8 units to be provided on the site. Westlea have secured funding from the Housing Corporation to develop 7 of the units.
- 3.4 The development will comprise 6 x 2 bed flats for affordable rented temporary accommodation, with floating support, as part of the replacement of the closing Avonside project, and 2 x 2 bed flats for general needs affordable rent.
- 3.5 The scheme represents good value for money for the Council at £35,000 per unit. The use of the Council's capital funding will enable the scheme to proceed as presented. The average public subsidy per affordable rented unit from the Housing Corporation National Affordable Housing Programme 2006-08 for the South West Allocations was £52,837.
- 3.6 Chippenham is an area of particularly high need. As at 8th August 2006, there were 561 households on the Housing Needs Register with Chippenham as their first choice and the District Wide Housing Needs Survey 2005 indicated a net need for 326 new affordable homes in Chippenham per annum for the next five years.
- 3.7 Westlea Housing Association has agreed to enter into a nominations agreement to enable the Council to nominate to all of the properties on first sale and 75% of re-sales thereafter.

4. Financial Implications

- 4.1 The Council has agreed a capital budget of £2,000,000 for new affordable housing provision for 2006/7 plus a rollover of £63,241 from 2005/6. A projected provision of £2,000,000 in each of the following 2 years is subject to member's approval.
- 4.2 It is anticipated that the affordable housing grant for this scheme can be accommodated within the budget for 2006/07 and 2007/08. See **Appendix 1** for Anticipated Cash-Flow 2005-09.

5. Legal Implications

5.1 Local Authorities have powers under s22 (3) of the Housing Act 1996 to make grants to Registered Social Landlords.

6. Community and Environmental Implications

6.1 The provision of 1 new affordable home in Chippenham with nomination rights for the Council is a valuable contribution towards meeting the high levels of housing need identified in North Wiltshire.

7. Equality and Diversity Implications

7.1 The provision of affordable housing helps to enable all residents in the district to have the opportunity to meet their housing needs locally. An Equality Impact Assessment has been completed and no resulting actions were identified.

8. Risk Analysis

8.1 This is considered to be low risk. Westlea Housing Association are a long-standing partner of North Wilts DC and are requesting funding at a reasonable level for a specific scheme. The site at Allington Way already has planning permission and is owned by Westlea Housing Association, therefore making the scheme very deliverable.

8.2 It is not considered that this issue has significant strategic, policy or operational implications and therefore a risk assessment has not been completed.
