What is the Community benefit of your project, and approximately how many people will benefit?	
<p>The provision of 2 Netball Posts and indoor court marking at Luckington Community School will provide additional sporting facilities to the village of Luckington & Alderton in line with the Community Plan, page 35.</p> <p>All pupils at Luckington Community School will benefit immediately. The school recently took place in the local regional Netball tournament and were placed in third position - this was a remarkable achievement as they currently have no netball posts with which to practise.</p> <p>Following this success the School is setting up an after school netball club on Tuesdays and this is to take place without Netball Posts. The provision of the posts and an indoor court will give the Netball club the ability to prepare a team to take place in wider tournaments as well as entering regular competitions with other local village schools such as Sherston and Acton Turville.</p> <p>Friends of Luckington School have previously donated sports kit for pupils to wear when they attend sports competitions and FOLS & parents will be running the after school Netball Club.</p> <p>The posts quoted below are moveable to enable their use throughout the year both internally and externally, subject to obtaining funding for the internal court marking.</p> <p>Unfortunately FOLS has already committed to various other school projects for 07/08 e.g swimming lessons, trip & transport funding, and cannot commit to the netball funding in this financial year.</p>	
NWDC will not meet future running costs for projects. Please tell us how these will be met in the future
