<p>What is the Community benefit of your project, and approximately how many people will benefit? (IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES))</p> <p>Malmesbury Cricket Club is a Community Amateur Sports Club registered cricket club based in the North Wiltshire town of Malmesbury. The Club was formed in 1894 and as recently as 1984 were winners of the Western Premier League. The Club runs three Saturday, one Sunday and one mid-week adult teams. The club also promotes youth participation in the sport through it's successful youth teams and training. Currently the youth section numbers around 75 members in age groups from U9-U17. Participation is open to all and the club is actively working towards the Clubmark accreditation via the Wiltshire and Swindon Sports Partnership program where it has achieved Level 2 status. As part of an ongoing renovation of the Club's infrastructure there is a desire to replace the current equipment storage facility. This requirement has become urgent as the current garage has been assessed as a safety hazard both structurally and as an inadequate store for the ground machinery and materials. The current garage has been subject to several break-ins. Additionally the current store doesn't have sufficient space to store the Club's large ground equipment (4 ton roller and gang mower), leading to them being stored under tarpaulin, outdoors. Again we have experienced problems with vandalism on these items. The Club would like to replace the current single garage structure with two garages of approximately the same dimensions. The construction is galvanised steel with a single entrance door.</p>	
<p>NWDC will not meet future running costs for projects. Please tell us how these will be met in the future Future running costs will be met from annual revenue.</p>

The Club views itself as an important part of the community, providing access to competitive and recreational sporting facilities for everyone in our area . The Club has formally approached several schools in the area (Malmesbury Primary, Crudwell Primary, Brinkworth Primary and Malmesbury Secondary to provide 'free-of charge' cricket coaching at after school club at the primary school's and in school coaching aimed specifically at girls at the secondary school. As with our own coaching sessions the Club wish to provide as safe and effective an environment as possible and this application will assist us in these aims.

Quotes for groundworks and an online brochure document for the intended storage has been included, along with a copy of our last year end accounts. The groundwork quote was originally for replacing the existing single standing with a new double area standing. However, to reduce the cost we have decided to re-use the existing hard standing and extend it. The quote supplier assures us this will reduce the quotation to one half of that shown. The new garages will 10*17'.

We also enclose, photographs of the current dilapidated garage.
