What is the Community benefit of your project, and approximately how many people will benefit? (IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES) The recreation ground play equipment is checked yearly by RoSPA and the Parish Council is regularly reminded that the current equipment is old and is becoming unsafe, a view shared by the Council's Recreation Field Committee. Some of the problems stem from changes in the law and so what was previously considered "safe equipment" is now deemed to be a risk factor. The recreation ground area is used by most of the children in the village for outdoor activities and it has been identified as an area to be improved by both the Area 1 Community Plan, and by the recently produced and adopted Dauntsey Parish Plan. Dauntsey offers no other facilities for the children of the parish and so to provide a long term asset for the children and the whole community the Parish Council has negotiated a long term lease with the Wiltshire County Council. This will allow further investment and improvements to the recreation ground generally over the forthcoming years to improve and add to the play facilities and to provide enhanced safety and security measures as the site is in close proximity to the M4 Motorway and the watercourse adjacent to the site. With the additional equipment and improvements proposed there will be an increase in use of the site as for many years there has been a concern that all age groups are not catered for.					
NWDC will not meet future running costs for projects. Please tell us how these will be met in the future Dauntsey Parish Council

OF SPACES) As stated above, the Area1 Community Plan and Parish Plan both highlighted the need for better/updated facilities in the Parish. Consultation started 6 years ago with a village questionnaire. The Parish Council has acted prudently with its precept over the last few years and has built up a fund so that it can provide a sum of money to provide a better quality and safer facility in the Village/Parish. Having agreed a long term lease with the Wiltshire County Council the time is now appropriate to carry out the proposals which have been a Parish Council priority for some years.
