What is the Community benefit of your project, and approximately how many people will benefit? <small>(IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES))</small> Our village hall is the hub of our community as well as surrounding hamlets. Many groups use the hall – mothers and toddlers, preschool 5 days, scouts/cubs/guides/brownies/rainbow guides 1 evening a week. We also have resident clubs – badminton, bowls, ladies night, flower club. Pre-school is very important as the through put of children will eventually go onto Crudwell Primary School linked. This is a good bonding group for young mothers and their families and helps with village cohesion. The main fund raising for the village hall is through sponsored 24hr bike ride held every year (past 18yrs). There are many other fundraising activities to raise money for projects for the upkeep of the hall. The timber main entrance and fire exit doors are now in a poor state due to heavy use and are not draught proof/leak energy. Security is breached by large gaps in meeting rails. The door security alarm contacts don't always connect. The glass is now liable to fall out and could cause a serious health and safety issues. Approx 1500 people will benefit from these improvements.	
NWDC will not meet future running costs for projects. Please tell us how these will be met in the future No running costs involved.
