The facility will be used by a wide range of children, young people and carers. The area is very open and easily accessed and although the equipment we propose will be primarily for 8-13 year old we hope to create a pleasant and inviting space for all ages. Young people using the park will be from the surrounding housing developments and do not have easy access to the existing play area at the western end of the Town which is over a mile and a half away. On completion we will be encouraging local schools and youth groups to use the park to help enhance and diversify their learning opportunities.

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

Amesbury Town Council will be responsible for the equipment and grounds maintenance costs as part of its on-going programme.

3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures

Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference.

Plans have been shown to young people in a local school, youth groups, community groups and councillors. Children at local schools will be asked to design a logo for the new park, to be incorporated into the park sign. Consultation will take place with the Housing Association and community support groups to ensure their needs are met. A steering group will be created including representatives from the following organisations: Police, Residents Association, Swaythling Housing Association, Neighbourhood Tasking Group, Amesbury Youth Council, The Community Volunteers, Wiltshire Youth Services. On completion, we expect the new play area to attract large numbers of children and young people. This will be monitored by the council in partnership with members of the steering group. We are very keen that this project is led by the young people. Once the scheme is completed we will carry out regular consultations to ensure the park is meeting expectations and that any previous issues have been resolved. Further development of the site may be necessary to ensure it continues to meet the needs of the groups and individuals using the park.
