

SALISBURY DISTRICT COUNCIL
SPECIAL DELEGATION PROCEDURE

COMMITTEE CONCERNED: **Cabinet**

FROM: **Eric Teagle**

SERVICE UNIT: **Forward Planning & Transportation**

DATE: 12th May 2008

Off-street parking order

An amendment is required to the off-street parking order. Currently the order states that parking tickets should be affixed as follows:

“...where a vehicle is fitted with a front glass windscreen extending across the vehicle to the nearside, facing forwards on the nearside of the glass of such windscreen behind the glass”.

However, the Council no longer uses adhesive tickets so it is not possible to attach tickets to the glass. The order therefore needs amendment to reflect this change and to require simply that tickets are displayed behind any windscreen so as to be clearly visible. This change will avoid the possibility of challenge on the basis of an inability to comply with the precise wording of the order. .

Approval under the special delegation procedure for the making of this change is requested.
