Leisure Portfolio Holder Update

1. Update on the - Leisure & Recreational Needs Assessment

Following the Project Board meeting on 24 January 2006, the Officers' Operational Group have met on a couple of occasions and are in the process of refining, categorising and prioritising the issues and options identified within Kit Campbell Associates' Report.

The next Project Board meeting is planned for 4 April 2006.

2. New roof for - Bradford on Avon Swimming Pool

Bradford on Avon Swimming Pool is due to close on 13 February 2006 for a 3 week closure. This is a planned closure and has been in the diary for the last year. During the closure work to be undertaken includes a major service of the pool heating and filtration system and work will start on the replacement of the pool roof. The roofing works will take many weeks but most of the work will be carried out with the pool remaining open.
