

**CHIPPENHAM AREA BOARD  
2 NOVEMBER 2009**

---

**MOBILE LIBRARY STOPS IN THE CHIPPENHAM AREA**

**1. Purpose of the Report**

- 1.1. We are in the process of reviewing our Mobile Library routes, with a view to making any significant adjustments in September 2010

**2. Background**

- 1.2. In the Chippenham Area, there are a total of 25 fortnightly stops. I would very much welcome any local support to improve the visitor numbers at any of these stops. Furthermore, if you are aware of any local communities which the mobile library does not visit, please get in touch to discuss with us.

**3. Main Considerations**

- 1.3. I have listed the 4 which have particularly low numbers. I have contacted the relevant parish councils at these stops, but any further support would be most appreciated.
