Work in partnership with other groups to encourage and embrace their communities: i.e. Cepen Park South, Derriards schemes like Neighbourhood Watch. The promotion of youth activities and participation by the organisation of a 'youth council' or similar in the Residents Association. We wish to enhance neighbourhood engagement and ideas to improve our community. We will investigate environmental and health related issues and encourage a more active lifestyle with pride within our community. Beneficiaries of our project will include all sectors of the community irrespective of age, gender, ethnicity, sexual orientation or faith.

**Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?**

The anticipation is that the Residents Association will become self funding after the initial set-up costs are met. Any further activities should to be met on a contribution basis. Our aspiration is that the residents association will be self funding after 12 months.

The intention is to bring the residents of the Cepen Park North area together in a common purpose to have a sense of pride in their community and to give help and support to those who may require it, such as the elderly and disabled. Our own research already indicates a significant willingness to get involved. Our research also indicates a wide age range is interested in joining in activities (section 7 is does not represent all our management members as we are still receiving responses).
