What is the Community benefit of your project, and approximately how many people will benefit? (IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)) North Wraxall Pre-School Playgroup is a village playgroup run by a committee of volunteer parents. We provide pre-school education to 45 children currently. In addition, NWPg runs a weekly toddler group attended by up to 20 children under 2years. Families in the villages in the North Wraxall area choose to send their children to our playgroup for it's fantastic reputation and lovely rural setting. The pre-school is based at The New Hall, which is the local village hall, is also used by members of the wider community for various activities. The plastic play equipment currently used by the pre-school children is now elderly and very tired. This needs to be replaced with a wooden climbing frame suitable for pre school children. The Community benefit of this project is to enhance the play experience of our children by providing safer and more attractive play facilities to the Playgroup and wider community within a safe and secure environment.				
NWDC will not meet future running costs for projects. Please tell us how these will be met in the future The equipment will last for many years and once in place, there will be no future running costs

North Wraxall Pre-school is committed to educating our children through play.

Being outdoors has a positive impact on children's sense of well-being and helps all aspects of children's development. Being outdoors offers opportunities for doing things in different ways and on different scales than when indoors. It gives children first-hand contact with weather, seasons and the natural world. Outdoor environments offer children freedom to explore, use their senses, and be physically active and exuberant.

The project is seen as a major opportunity to enhance the children's play experience and to further help them to learn through play.
