

SALISBURY DISTRICT COUNCIL
SPECIAL DELEGATION PROCEDURE

Cllr

For Information

COMMITTEE CONCERNED: City Area (Planning) Committee

FROM: Andrew Rose

SERVICE UNIT: Democratic Services

DATE: 9th March 2005

The amount of business available for the City Area (Planning) Committee to discuss in relation to it's meeting of 17th March 2005 consists of just one planning application - which only required a committee decision because it was a Salisbury District Council application.

On the same day, at 11am, the Planning & Regulatory Panel is meeting, and it is considered more economical for that Panel to add this one extra item onto their agenda rather than to call a whole meeting of the City Area Committee.

Your approval for such a move is requested.
