The beneficiaries of this project will be the elderly/ housebound residents of Bromham and Rowde who attend the Monday Club Day Centre on a weekly basis. We usually have 25 to 30 attendees of both genders, ages ranging from 60's to 90's (mainly 80's). We already have an exercise group and we feel the equipment will encourage a broader appeal to those members who don't or can't join in. The Wii Sport has a visual element, is fun to use and will allow members to find fulfilment and enjoyment in participating in an additional physical and mental activity. It encourages co-ordination of mind and body when age related difficulties are apparent, and also helps older people to learn rudimentary IT skills

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?
