

Questions from Members of the Council

To receive the following questions from members received within the specified deadline.

Question to Cllr Linda Conley from Cllr Trevor Carbin

How many allotment plots does WWDC currently administer, and what is the size of the waiting list for allotments in West Wiltshire?

Question to Cllr Linda Conley from Cllr Jeff Osborn

At the last Council in response to a question from myself regarding the failure to provide long promised extra bring sites for cardboard and plastic, the Environmental Portfolio holder assured members that she and her staff were "slaving away" to meet these promises. Can she please now inform us as to the result of this "slaving"?

How many of the promised bring sites for cardboard and plastics have been provided?

Is she going to revisit the Waste and Recycling Review that was set up nearly one year ago?
