### Questions from Members of the Council

To receive the following questions from members received within the specified deadline.

#### **Question to Cllr Linda Conley from Cllr Trevor Carbin:**

Is it possible to discourage Hills Waste, when collecting black boxes from the streets of West Wiltshire, from generating litter, throwing boxes around and breaking them, leaving emptied boxes in awkward positions and failing to deal politely with concerned residents?

#### **Question to Cllr Graham Payne from Cllr Ernie Clark:**

West Wiltshire District Council is opposing the application for the registration of land at Beech Grove, Trowbridge as a town or village green.

To date, what is the total cost of this objection (breaking the figure down into cost of officer time and funds paid/owed to the solicitors acting for WWDC)?

Also, what is the estimated total cost of pursuing this objection through the proposed non-statutory local inquiry?

#### **Question to Cllr Graham Payne from Cllr David Jenkins:**

Will cabinet, in the interests of the people of West Wiltshire and neighbouring districts,

- condemn the decision of the Driving Standards Agency to close Trowbridge Test Centre and formally ask them to reconsider and to consult on their proposals?
  - consider deferring any re-allocation of the lease on the building until this reconsideration and consultation has taken place?
  - consider the most appropriate course of action to preserve this important facility in the County Town?
